Rajiv Gandhi University of Knowledge Technologies

TCS NQT Hiring Registration

Dear Students,

We are happy to announce the **'TCS NQT'** for the **YoP 2024** is open.

Below is the timeline for this year's 'TCS NQT' with **Integrated Test Pattern**.

Recruitment Event	Last Date for Registration	Test Mode
'TCS NQT FY24 with **Integrated Test Pattern'**	Wednesday, **10th April 2024**	In-Center only (iON Centers)

We are happy to share with you the detailed Eligibility Criteria for this hiring process. Request to get the eligible students to complete the TCS application form and apply for the drive as per timelines.
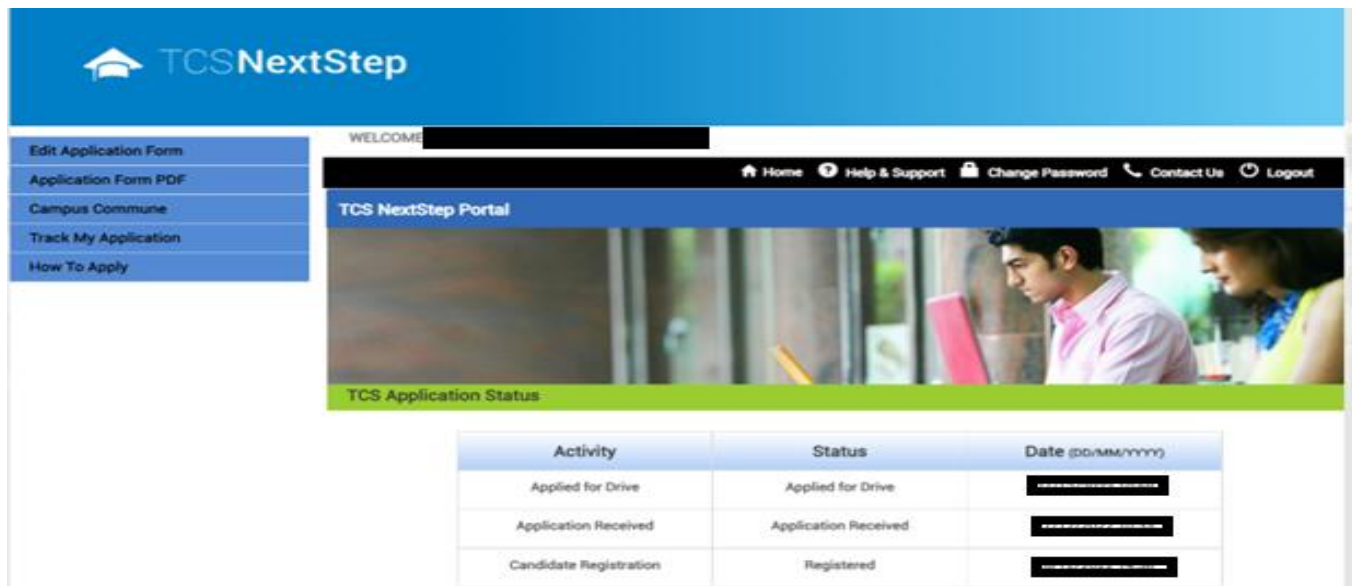

Important Points:

1. Students only from the **year of passing batch of 2024 may apply** and the same should reflect in their TCS Application Form.
2. Students **MUST** register and complete the TCS Application Form in the TCS NextStep Portal under '**IT**' section and finally choose the nearest test center to take-up the integrated assessment.
3. All students must ensure that they use their **Personal Email ID** to register in the TCS NextStep Portal. Email ID **CANNOT** be changed once submitted. Application will be rejected if College email id is used for registration.
4. The CT/DT Reference ID should be starting from CT/DT 2023 and 2024 only. Old CT/DT Reference ID will not be accepted (CT2022, DT2021…etc.) and you may write to us for deletion of these old IDs, to create new IDs.
5. Students should fill in the application form correctly, verify the details before submitting and make sure that their status in the TCS NextStep portal is "**Applied for Drive**". Students can check this by visiting the "**Track My Application**" tab in the NextStep portal.
6. Information retrieved from **TCS Application Form** will be considered for the test process.
7. We would not be able to batch students if their 'TCS Application Form' is **incomplete** and the candidate status should be **"Applied for Drive".**

Process to complete the TCS application form is outlined below:-

- Students to visit **https://www.tcs.com/careers/india/tcs-fresher-hiring-nqt-2024**
- Click on "Register here".
- Choose the category as **"IT"**
- Fill up the details to generate a Reference ID.
- Proceed to complete the **Application Form**.
- Finally Choose the nearest test center to take-up the integrated test.

Sample Screen Shot to check the candidate status. Ensure that all 3 activities are reflecting.

TCS Eligibility Criteria:

- **Courses & Disciplines:** Students from the **batch of 2024** with highest qualifications, across all disciplines, departments or streams may apply - Bachelor of Technology (B.Tech.)**,** Bachelor of Engineering (B.E.)**,** Master of Technology (M.Tech.)**,** Master of Engineering (M.E.)**,** Master of Computer Applications (M.C.A)**,** Master of Science (M.Sc. / M.S).

- **Course Types:** Only **Full-Time courses** will be considered (Part Time / Correspondence Courses will not be considered).

- **NIOS:** Students who have completed their Secondary and / or Senior Secondary course from NIOS (National Institute of Open Schooling) are also eligible to apply if the other courses are full time

- **Percentage:** Minimum **60% or 6 CGPA throughout academics** including the highest qualification, till the latest semester for which results have been declared at the time of appearing now for the test process. If selected, the offer will be valid only if the degree / provisional degree certificate clearly states that the student has cleared Engineering in '**First Class**' after completion of the course, at the time of joining.

- **Backlogs / Arrears / ATKT: NO backlogs / arrears / ATKT** at the time of appearing for the TCS Selection process.

- **Gap / Break in Education:** It is mandatory to declare academic gaps if any, during the period of education. Break in education should not be due to extended education (examinations cleared after the time stipulated by the Board / University). Any break in education should **not exceed 24 months** and is permissible only for valid reasons. Relevant document proof, as applicable, will be checked for gaps in education.

- **Work Experience:** Students with prior work experience of up to two years are eligible to apply for this hiring process (**Applicable only for postgraduate students**).

- **Age:** A student should be 18 to 28 years of age to participate in the 'TCS NQT'.

TCS NQT' with Integrated Test Pattern:

Advance Coding covers: C, C++, Python, Java & Perl

Compensation offered:

Offer Category	UG	PG
Ninja	3.3 LPA	3.5 LPA
Digital	7.0 LPA	7.3 LPA
