CIRCULAR

Subject: RGUKT - Academic Section - E1 Branch Allocation – Eligibility Criteria, Registration of Branch Preferences - Reg.

It is to inform all the PUC II completed students in the academic year 2022-23 and the students who were not allotted engineering branches during the last academic year (AY 2022-23) and are eligible for allocation of engineering branches that the E1 branch allocation process is underway. This circular gives information about the eligibility criteria and registration of the branch preferences.

I. Eligibility Criteria

The eligibility criteria according to RGUKT - Rules and Regulations for Academic Section - Rule no. III & X, the procedure for branch allocation is as follows:

1. As a part of 6-year integrated B.Tech program, branches of engineering will be allocated for only those who passed the 2-Years PUC with a minimum CGPA of 6 and above.
2. The allocation of the engineering branch shall be made on the choice of the students and based on their performance in the PUC as per the following procedure:
 - a. Choice of the students in order of preference going up to all 7 choices due collected online.
 - b. Student should have a minimum CGPA of ≥ 6 and put the students in order of merit as per CGPA up to Sem2 - PUC2, in each of the reserved categories and allocate the seats as per the merit order by considering the number of seats available in each of the branches for each of the categories of reservation.

3. In case of a tie on account of the same CGPA, the tie is resolved to decide the relative ranking based on the following criterion:
 - a. Average grade in Mathematics courses of the first four semesters of PUC.
 - b. Next is the average grade in Physics courses of the first four semesters of PUC.
 - c. If the tie persists, an older candidate (based on the date of birth) is preferred over the younger.

4. The number of seats available in Engineering branches is decided considering the total number of students passing PUC with a CGPA of ≥ 6 (after taking the remedial/grade improvement examination after 1st&2nd Semesters of 2nd Year PUC into consideration) and going by the following ratio (**The following table shows the number of seats in each branch by considering the number of eligible candidates as 1000**):

Chemical Engineering	71/1000 @ 7.1 per 100 seats
Civil Engineering	143/1000 @ 14.3 per 100 seats
Computer Science and Engineering	214/1000 @ 21.4 per 100 seats
Electrical and Electronics Engineering	144/1000 @ 14.4 per 100 seats
Electronics and Communication Engineering	214/1000 @ 21.4 per 100 seats
Mechanical Engineering	143/1000 @ 14.3 per 100 seats
Metallurgical and Materials Engineering	71/1000 @ 7.1 per 100 seats

II. Registration of Branch Preferences

The online registration link for registration of branch preferences and uploading certificates (if any) will be kept open from 04/08/2023 to 09/08/2023, 11:59 PM.

Note:

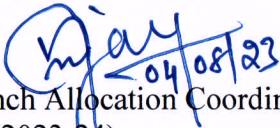

1. **The students who have secured ≥ 6 CGPA in PUC and have passed all the subjects are only eligible to apply.**
2. No requests will be considered under any circumstances after 09/08/2023, 11:59 PM.

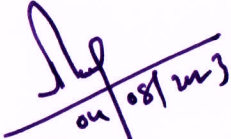

3. Students should submit the branch preferences in the order of their choice. Student can re-submit their preferences any number of times before the final date of submission.
4. In case, a student has resubmitted their preferences, the last submitted preferences will be considered as final in the allocation of branches.
5. Mutual transfers in branches are not permitted after allocation.
6. The students have to compulsorily submit all the preferences in the order from 1 to 7 to complete the registration process.
7. If the option list is incomplete or the preference(s) is/are not submitted, RGUKT would allocate the branch from the leftover seats.
