Knowledge Hour with Infosys Live Chat

Greetings from Infosys!

Latest technology platforms, languages and frameworks are redefining enterprise application development. This session focuses on how advanced technology trends are being used in transformative engagements. Speakers discuss cloud-based transformations, AI and ML application, as well as evolving trends in telecom technology. They will also take a look at how user experience technologies are changing. Additionally, panelists will talk about how Infosys is transforming the workforce by hiring diverse talent to thrive in the digital era.

Leaders from Infosys are coming together for an exciting live chat on the topic –

“Keeping up with the Current Technology Trends”

Date: February 26, 2021

Time: 10:30 PM IST – 11:30 PM IST

Students can pose questions to the esteemed panel comprising of –

Rajeshwari Ganesan - Associate Vice President and Senior Director - Solution Consulting, Infosys

Vishwanath Taware - Associate Vice President and Senior Principal, STG - Enterprise Applications, Infosys

Joe George - Delivery Manager, Strategic Technology Group, Infosys

Jesus Barrueta - Senior Technologist, Strategic Technology Group, Infosys

Richard Onorato - Senior Enterprise Architect, STG - Enterprise Applications, Infosys

Here's a quick overview of the coverage –

1. Cloud native development and large scale cloud based digital transformations
2. How latest technology is transforming some of the largest telecom providers
3. How AI/ML is applied on some of our transformative engagements and product development
4. Current trends in UX Development and how new programming paradigms are applied on UI Engineering.
5. How we are addressing the talent needs and nurturing a talent pool that can build the next generation platforms and systems.

Registration link: <https://www.linkedin.com/events/knowledgehourwithinfosys6769568309257089024/>

This will lead students to the LinkedIn event page for the chat, students need to click on “Request to attend”. Please note that no further link will be shared to join. At the designated time, students need to visit the event page “Knowledge Hour with Infosys” via the link above. The session will start streaming live on the event page at 10:30 PM IST.

Registration deadline: 25-February-2021

Please note:

1. We encourage participation from all the batches at your Institution to make the most of this opportunity.
2. Students need to have a LinkedIn account to be able to register for & attend the webinar.
3. The attendee status for the event will show as “Withdraw your request” for the students. This will change to “Attending” as soon as the attendee request is approved. This will result in students receiving a notification and will serve as a reminder for them.
4. Lastly but importantly, we urge students to follow the Infosys page on LinkedIn to stay updated about Company news.
