*- '/' indicates '**or**'*

Please note the following while availing this facility:

1. The sick food slip is provided for a maximum of three days only. If an extension is required, it will be provided by the campus medical officer after examination of the student.
2. The count of sick food slips issued in the institute health center will be provided to the caterer at 11:00 AM and 6:00 PM every day. Students visiting the hospital beyond this time may be provided sick food in lunch or dinner on that day respectively, subject to availability.
3. Students are advised not to misuse this facility as misuse can even result in cases where the really sick student may not get the 'sick food' **he/she needs**.
4. Students found to be misusing this facility will be subjected to disciplinary action as per university regulations.
5. Few teething problems are expected in the beginning and students are requested to co-operate with the authorities in this regard.
6. For any complaints/suggestions: please approach student welfare office (dost@rgukt.ac.in) or food committee member of the respective mess.
