For PUC 1 and PUC 2:

PUC students need to submit a **written paper(A4 sheet) document** of their Idea.

The format should have:

1) The problem statement relating to a particular situation or a business idea.

2) The solution or the idea that you have.

3) If your solution has a block diagram, do draw it.

4) The use cases(the different users or customers to which your idea is applicable).

For Engg students:

Engg students need to submit a **docx file** or **ppt** of their idea.

The format should have:

1) The problem statement relating to a particular situation or a business idea.

2) The solution or the idea that you have.

3) You compulsory need to put a block diagram representing your idea.

4) The use cases(the different users or customers to which your idea is applicable).

The last day for submitting your idea is March 2nd 2019.
