All the students should attend the review along with **PPTs** on respective date without fail. Students are permitted for the final review only on satisfactory completion of the below requirements:

1. Successful completion of review-III .
2. Successful submission and verification of report (please visit the departmental website for the guidelines)
3. Satisfactory certificate from the concerned supervisor
4. Successful submission of presentation slides/PPT to the concerned committee before two days to final review date

**Note for the students on Final Project Review:**

- 1) The duration of the presentation should be within **30 minutes** (20 minutes for PPT presentation and 10 Minutes for discussion). **Kindly prepare your presentation within the allotted time.** The batches present beyond the time limit will be treated as not well prepared/coordinated and correspondingly the evaluation will be done.
- 2) The Final review will be assessed for **60 Marks**. The evaluation will be focused on individual student contribution.
- 3) The students are expected to focus more on work done like analysis and results in PPTs.
