

Current PUC2 batch(B13 batch)**Courses**

Semester	Course Name	Credits
E1S1	Mechanics of materials	6
	Engineering drawing	4
	Engineering mechanics	4
	Surveying	6
E1S2	Structural analysis	4
	Building materials and construction	6
	Environmental Science	4
	Transportation engineering	6
E2S1	Concrete structures design	6
	Soil mechanics	6
	Hydraulics	6
	Water supply engineering	4
E2S2	Steel structures design	4
	Building Drawing and Estimating	4
	Water resources engineering	4
	Sanitary engineering	4
E3S1	Fluid Mechanics	4
	Elective	4
	Elective	4
	Project	4
E3S2	Foundation Engineering	4
	Elective	4
	Elective	4
	Project	4
E4S1	Construction Engineering	4
	Elective	4
	Elective	4
	Project	4
E4S2	Geoscience	6
	Elective	4
	Elective	4
	Project	4

Current E1 Batch(B12 batch) {Courses completed - 2, Courses to be covered - 14}
Courses to be covered will be completed as per the below schedule

Year	Course	Credits
E1 SUM	Mechanics of materials	6
	Surveying	6
E2 SEM1	Structural analysis	4
	Building materials and construction	6
	Environmental Science	4
	Transportation engineering	6
E2 WIN	Concrete structures design	6
	Water supply engineering	4
E2 SEM2	Soil mechanics	6
	Hydraulics	6
	Steel structures design	4
	Building Drawing and Estimating	4
E2 SUM	Water resources engineering	4
	Sanitary engineering	4

**Current E2 Batch(B11 batch) {Courses completed - 7, Courses to be covered - 9}
 Courses to be covered will be completed as per the below schedule**

Year	Course	Credits
E2 SUM	Transportation engineering	6
	Concrete structures design	6
E3 SEM1	Environmental Science	4
	Soil mechanics	6
	Hydraulics	6
	Steel structures design	4
E3 WIN	Water supply engineering	4
	Building Drawing and Estimating	4
E3 SEM2	Sanitary engineering	4

Current E3 Batch(B10 batch) {Courses completed - 14, Courses to be covered - 2}
Courses to be covered will be completed as per the below schedule

Year	Course	Credits
E4 SEM1	Estimating	4
	Sanitary engineering	4
