By directions from the Hon'ble Vice - Chancellor, it is to inform all the students that the timings of commencement of classes, forenoon well as afternoon sessions, have slightly been adjusted again for PUC – I and PUC – II keeping in view of the heavy rush of the students at messes during breakfast and lunch hours for equal distribution of per capita time among all students while having food. However, there is no change in Engineering classes timings.

The students are to further notify that there is a five minutes recess/short break between sessions for them to have some relief.
