

CIRCULAR

Subject: Academic Section - AY21-22, Semester-I - Information on internal assessment - Reg.

1. This circular is being given in continuation to the circular of even number dated 07/12/201 in which the pattern of internal assessment (which is done for 40 marks) for AY21-22, Semester-I, theory subjects is given.
2. The Academic Section has received certain proposals to alter the pattern of Monthly Tests in terms of number questions that may vary from subject to subject (depending on the difficult level) and is appropriate to the duration of the exam.
3. Therefore, the pattern of the Monthly Tests has slightly been modified (**given in bold**) and the following is the complete internal assessment pattern.
4. The new pattern of internal assessment is:
 - a. Out of 40 internal marks of a theory subject, 10 marks are for the Assignments/Tutorials/Quizzes etc., in the subject, the rest of the 30 marks are based on Monthly Tests; weightage for each monthly test is 30 marks.
 - b. Two Monthly tests will be conducted in the semester. Best 1 out of 2 Monthly Tests is considered in evaluation for 30 marks and 10 marks is awarded based on the assignments given in the particular course from time to time.
 - c. Each Monthly Test is for 30 marks from which 20 marks are allocated for Multiple Choice Questions (MCQs) and 10 marks are allocated for descriptive type questions.

A minimum of 10 and maximum of 20 questions will be given under MCQs with no choice and so as the weightage for each question from 2 marks to 1 mark; and a total of 4 questions will be given under descriptive part, each is for 5 marks, among which the student has to answer any two of his/her choice.

The duration of the Monthly Test shall be one hour.

5. The above internal assessment pattern is applicable to all P1 to E4 students of AY21-22, Semester-I.
6. Therefore, the students shall keep these updates in mind and shall continue their preparation accordingly.
