Notice

Date: 10/09/2016

National Programme on Technology Enhanced Learning (NPTL) is a joint venture of India Institutes of Technology and Indian Science, Bengaluru, which provides **e-learning** through online Web and Video courses in Engineering, Sciences, Technology, Management and Humanities.

Now, this e-learning portal is also made available in the Local Server of our Campus with the following link to enhance the accessing speed and to make learning faster.

<http://10.10.2.28/localg/>

So, you all are requested to utilize this facility.
