

Energy Conservation Mission

The Institution of Engineers (India)

TELANGANA STATE CENTRE

NATIONAL ENERGY CONSERVATION WEEK CELEBRATIONS – 2022

14th – 21st December 2022

THE INSTITUTION OF ENGINEERS (INDIA)

The Institution of Engineers (India) is the largest multidisciplinary professional body that encompasses 15 Engineering disciplines and offers engineers a global platform to share professional experience and knowledge. IEI was established in 1920 and has a membership strength of 0.8 million, with its headquarters at 8, Gokhale Road, Kolkata-700 020. IEI has been serving the engineering fraternity for over nine decades during which it has been inextricably linked with the history of modern-day engineering. In 1935, IEI was incorporated by Royal Charter and remains the only professional body in India to be accorded this honor. Today, its quest for professional excellence has given it a place of pride in almost every prestigious and relevant organization across the globe. IEI serves the interests of professional engineers, academicians, and research workers. It provides a vast array of technical, professional and support services to the Government, Industries, Academia, and the engineering fraternity, operating in 125 centres located across the country. The Institution has established R&D centres at various locations in the country and provides grant-in-aid to its Corporate Members to conduct research and development on engineering subjects.

THE INSTITUTION OF ENGINEERS (INDIA), TELANGANA STATE (ISO 9001-2015 Certified)

The Telangana State Centre of the Institution of Engineers (India) has now on its rolls more than 10000 Corporate Members covering fifteen disciplines of engineering besides non-Corporate Members of about 19000. The Telangana State Centre has been one of the most active Centres of the Institution of Engineers (India) which is engaged in successfully translating

the objectives mission and vision of IEI into practice. The present Telangana State Centre has bagged 2 times best centre award with its inception of 2016.

ENERGY CONSERVATION MISSION, IEI, TSC

The Energy Conservation Mission was formed in the year 2003 with many energy-passionate practicing professionals who work on voluntary basis, to ensure efficient and optimal usage of energy in all its forms and dimensions; to spread the message of proper usage of energy and the inter-relationship of energy, environment and resource utilization to all consumers. ECM has been conducting energy related programmes, audits, seminars, and technical lectures in colleges and schools for more than one decade.

NATIONAL ENERGY CONSERVATION WEEK CELEBRATIONS-2022

The Energy Conservation Mission of The Institution of Engineers (India), Telangana State Centre has been organizing "National Energy Conservation Week Celebrations" from 14th to 20th December every year by involving all stake-holders like Industries, Colleges, Schools, Public, Government officials etc. This year also we are conducting the National Energy Conservation Week Celebrations from December 14th to 21st, 2022 at Visvesvaraya Bhavan, IEI-TSC, Khairatabad, Hyderabad.

CALL FOR PAPERS:

Technical Papers shall be limited to the above specified topics only and will be published in the Digital Souvenir to be released on Energy Conservation Day. All the participants will be given Certificates and the selected best papers' authors need to present their papers during the Energy Conservation Week, and will be honoured with memento. Each Technical Paper contributed by an author may not exceed 500 words, with relevant tables and figures in MS Word doc. format.

PARTICIPATION:

Experts from various organizations concerned with Industrial Sector, Educational Institutions, Consultancy Organizations, officials of State Government, Central Government and NGOs are invited to participate in the deliberations of the Seminar. This will enable them to meet the challenges of the new millennium in the context of rapidly changing Technologies.

Last Date for receipt of soft copy of the full paper by email is 9th December 2022. The authors also must send their passport size color photograph and brief biodata by email.
