RGUKT/Academic section/E1 Branch allocation/2022-23/4

Date: 28-10-2022

Circular

Subject: RGUKT - Academic Section - E1 Branch Allocation – Reg.

Dear Students,

It is to inform the PUC II students that the E1 branch allocation process has been started. This circular gives information about the schedule, eligibility criteria and the certificates required to claim reservation in branch allocation.

I. Schedule

The tentative schedule for the same is given below.

S. No	Event	Dates
1	Online registration of branch preference and uploading certificates without late fee	10/11/2022 to 16/11/2022
2	Online registration of branch preference and uploading certificates with a late fee of Rupees 500/-	17/11/2022 to 18/11/2022
3	Special category certificates verification	19/11/2022
4	Displaying the final list of eligible candidates	24/11/2022
5	Grievances from students	25/11/2022 to 26/11/2022
6	Declaration of final branch allocation	30/11/2022

II. Eligibility Criteria

The eligibility criteria according to RGUKT- Rules and Regulations for Academic Section - Rule no. - III and procedure for branch allocation is as follows:

1. As a part of 6-year integrated B.Tech program, branches of engineering will be allocated for only those who passed the 2-Years PUC with a minimum CGPA of 6 and above.

2. The allocation of the engineering branch shall be made on the choice of the students and by resolving based on their performance in the PUC as per the following procedure:
- Choice of the students in order of preference going up to all 7 choices due collected online.
 - Student should have a minimum CGPA of ≥ 6 and put the students in order of merit as per CGPA up to Sem2 - PUC2, in each of the reserved categories and allocate the seats as per the merit order by considering the number of seats available in each of the branches for each of the categories of reservation.
3. In case of a tie on account of the same CGPA, the tie is resolved to decide the relative ranking based on the following criterion:
- Average grade in Mathematics courses of the first four semesters of PUC.
 - Next is the average grade in Physics courses of the first four semesters of PUC.
 - If the tie still persists, an older candidate (based on the date of birth) is given preference over the younger.
4. The number of seats available in Engineering branches is decided considering the total number of students passing PUC with a CGPA of ≥ 6 (after taking the remedial/grade improvement examination after 1st&2nd Semesters of 2nd Year PUC into consideration) and going by the following ratio (**The following table shows the number of seats in each branch by considering the number of eligible candidates as 1000**):

Chemical Engineering	71/1000 @ 7.1 per 100 seats
Civil Engineering	143/1000 @ 14.3 per 100 seats
Computer Science and Engineering	214/1000 @ 21.4 per 100 seats
Electrical and Electronics Engineering	144/1000 @ 14.4 per 100 seats
Electronics and Communication Engineering	214/1000 @ 21.4 per 100 seats
Mechanical Engineering	143/1000 @ 14.3 per 100 seats
Metallurgical and Materials Engineering	71/1000 @ 7.1 per 100 seats

III. Information Regarding Certificates

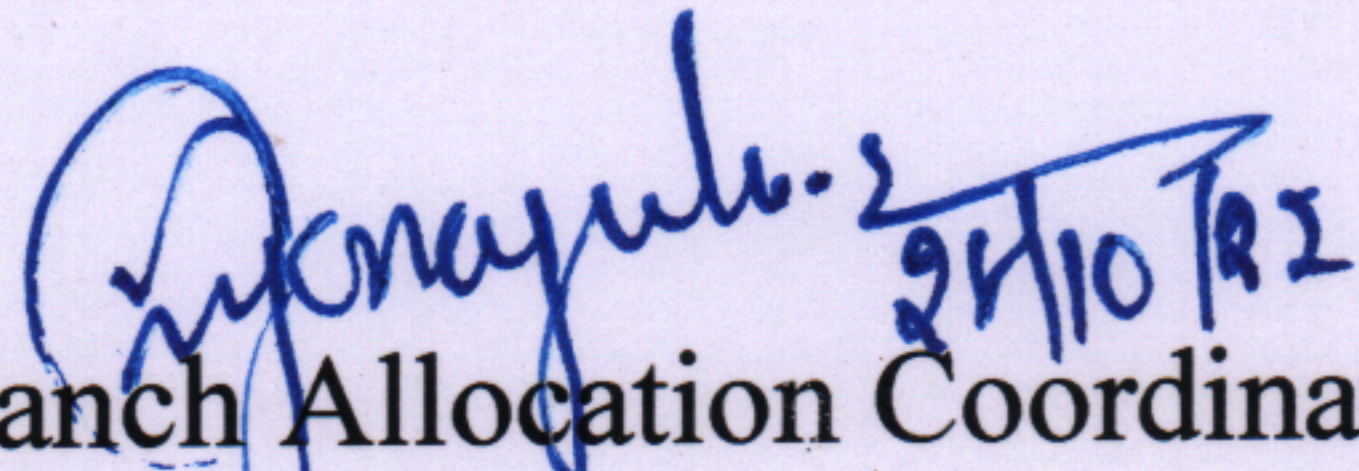

A separate circular will be given in due course of time for registration of branch preferences and uploading the necessary certificates in online mode

In this regard, students are advised to keep the certificates ready by the time of activation of the registration link for submitting branch preferences.

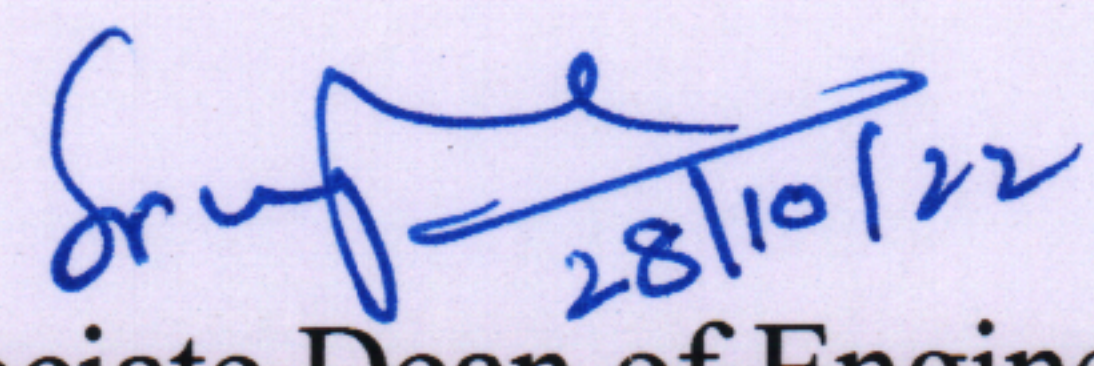

- i. For claiming a seat in branch allocation under special reservation categories (PH/CAP/NCC/Sports), students should keep ready the certificates, issued by competent authorities.
- ii. For claiming a seat in branch allocation under the reservation category (BC-A, BC-B, BC-C, BC-D, BC-E, SC, ST), students should keep ready the certificates, issued by competent authorities.
- iii. For claiming a seat under more than one reservation category should keep ready all the necessary certificates.

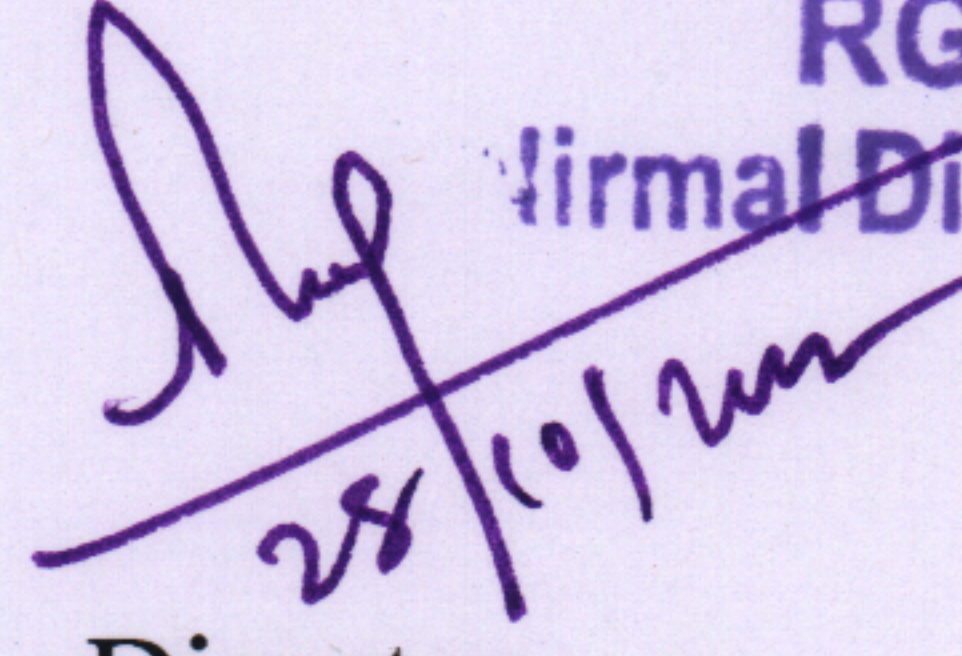

Please contact the Academic Section / Branch Allocation office (Administrative building, RGUKT Basar) for more information/clarification.
