SCHEDULE OF THOUGHTWORKS RECRUITMENT DRIVE

It is hereby informed to all aspirants of **THOUGHTWORKS RECRUITMENT DRIVE** that the drive is scheduled on **20th July 2019, 8:45AM at AB-I** auditorium (Pre-Placement Talk) followed by written test at AB-II.

PROCESS OF SELECTION:

1**. Interview:** HackerEarth test
Focus Area: 2 programming questions to be solved in 1hour time. Focus will be on algorithms and basic programming.

2. **Interview:** Pair Programming
Focus Areas: A problem statement is given and depending on the time allocated, the candidate is expected to approach the problem in the best suited way as per his/her understanding. The assessment weightage is more on the way the candidate thinks, designs the solution and approaches the problem. The candidate is expected to write clean, understandable and extendable code. One of the Thought Workers will pair up with them in this round.
Duration: 2 hours

3. **Interview:** Technical Interview
Focus Areas: OOPs Design, Logical Problem Solving (Data Structure, Algorithms), DB, Technology Depth/Breadth and Prior experience on Projects, if any.
Duration: 1 – 1.5 hrs

4. **Interview:** Leadership & Cultural round
Focus Areas: Ownership, Ability to influence, Resilience

Note: Class Allotment will be shared in the next notice.
