

CIRCULAR
(For E4 Students)

This is to inform all the E4 students who would like to go for Six-Months Project Internship (Off Campus) that they can opt for NPTEL courses as their Open Electives for Semester – II, AY19-20. The students who carry out their Project Internship (Off Campus) can also opt for courses offered by RGUKT as Open Electives subject to the condition that they shall attend the Monthly Tests and End Semester Examinations as per the existing examinations policy of the University.

The list of the NPTEL courses that are being floated as Open Electives are:

Course Code	Discipline	Course Name
EE4501	Electrical and Electronics Engineering	Analog IC Design
EE4502	Electrical and Electronics Engineering	Antennas
EE4503	Electrical and Electronics Engineering	Control Engineering
EE4504	Electrical and Electronics Engineering	Digital IC Design
ME4501	Mechanical Engineering	Computational Fluid Dynamics for Incompressible Flows
ME4502	Mechanical Engineering	Product Design and Manufacturing

The students who wish to opt for NPTEL courses as Open Electives shall submit an application to this effect, by giving order of course preferences, at the Academic Section from 09/12/2019 to 10/12/2019 during office hours.

The students who have already left for Project Internship can send a mail to the Academic Section at academics@rgukt.ac.in specifying their complete student profile and order of course preferences. The students can also give a call to us on **+91 – 94923 02117** if they require any help / clarification.
