

Holla young minds :)

## Greetings of the day..!

We, NSS Volunteers are very excited to present you all our first certified course on **COVID - 19**.

During this lockdown, students of **NSS** have come up with an idea to create *awareness* among students and society about **COVID-19**, *the deadly pandemic*.

As students currently are habituated to **online learning**, with the help of **StuNxt**, a social media platform developed by students of RGUKT Basar to *enlighten the young brains by creating professional networks*, made this **COURSE ON COVID AKA COC** possible.

We are honoured to announce that the course will be launched by **Hon'ble Administrative Officer**  
**Prof. Y. Rajeshwar Rao Garu**  
on **June 11** i.e Today at **11:11am**.

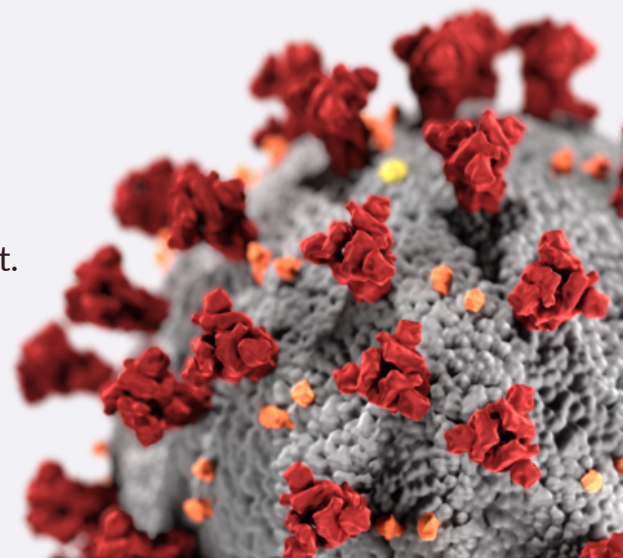

## How to enroll ?

**Step 1;** Visit *StuNxt* from the below link

[stunxt.com/courses](https://stunxt.com/courses)

**Step 2:** Log in or Sign up with your *StuNxt* account.

**Step 3:** Find COC on homepage and start the course.

**Step 4:** Learn all the modules and clear the final test to get your *certificate*.

**Happy Learning..!**
