

Precautionary measures for students attending exams

1. Students must avoid gathering outside the exam centers (AB-1, AB-2) and follow social distancing at least 2 meters.
2. Every student must carry their face mask and hand sanitizer and water bottle while coming to the exam centers. This is mandatory.
3. Every student must wear mask all the time around the exam centers.
4. Entry inside the examination centre will be allowed only after temperature check. Students will be allocated with separate rooms if they show any symptoms.
5. Students should bring their own pencils, pens, erasers, calculators required for the examination, exchanging of any item is strictly prohibited.
6. Students need to carry all the necessary items as mentioned above, without which they will not be allowed inside the examination hall.
7. Students need to inform to security personnel at the exam centre about any health issue (if they face any).
8. Every student must discard their question paper in the dustbins provided outside AB-1 and AB-2.
9. Students will be allowed to leave the exam halls according to their floor number with the due instructions from invigilators in a specified time intervals after the completion of the examination. Hence everyone must wait and obey the instructions from invigilators.
10. While leaving from the exam hall, every student must follow the social distancing at least 2 meters till the exit gates.
11. Every student must install “Arogya Setu” mobile application while coming to campus.
