

Dt: 7th March 2017

The Vice Chancellor,
RGUKT
Hyderabad

Sir,

This is to bring to your notice that some of the students behaviour with respect to dress, and their attitude is quite disgusting and the same has to be rectified before the name of the Institution is tarnished. In this connection following are suggested:

1. All the students be directed to wear the uniform to the mess also. It is observed that some girls and boys are coming to themes in jeans, ~~tights~~, shorts etc. The dressing should be given top most priority, so that the attention of the students are not diverted with this kind of dressing up.
2. In the morning several students are coming on to the road brushing their teeth which gives a wrong impression to outsiders on their primitive behaviour. This careless attitude of the students should be discouraged forthwith.

Perhaps an Office order may be issued in addition to strict instructions by faculty members to the students personally on the two issues. The Security Wing may be authorized to take action against the students not heeding to the above advices.

Thanking you,
