Blueberry Interviews for the Shortlisted students

Dear Student,

Greetings!!!

We take the pleasure to introduce you to our company Blueberry Digital Labs Private Limited.

Blueberry Digital Labs (www.blueberrylabs.com) is an Integrated Digital Technology Company with a vision to deliver cutting edge technology, powerful content and creative designs. We are a global startup made in Asia with offices in India, Philippines & USA.

Our humble, hardworking, dedicated teams with a curiosity to learn has helped us grow from zero to over 10 million global users a month in 3 years. We have courage, perseverance & right attitude to build useful products to the global SME.

We are proud that we are profitable, non-funded & creating something amazing to contribute to the global community.

With reference to our discussion and Technical test which is conducted at IIIT Basar on 18th April, 2018 for the position of Software Development Engineer, I would like to invite the shortlisted candidates to attend the interview with us on **May 2nd 2018** at 11.00 AM at our office in Wave rock SEZ, Hyderabad.
