<http://lms.rgukt.ac.in/course/index.php?categoryid=183>

The students have to register all the courses of E4-S2 and shall give the preferences for the programme electives and open electives, as per the registration form. The students shall carefully select Programme Electives/Open-Elective courses while they register. No modifications will be done once the registration is completed. Few Departments are offering multiple courses under Open Electives, therefore the allocation of the students for such courses will be on “**first come, first serve**” basis.

The students who have taken the subjects in Sem-I should not opt for them again.

To float a Programme Elective or Open Elective, a minimum of 30 students must register for that subject.

The students who could not register or complete their registration, for whatsoever reason, during the above period can do their registrations manually at the Academic Section by 24th December 2022, upon payment of Rs. 500/- as a late registration fee. If any student does not give any preference(s), then the Academic Section will allot a course(s) from the available pool of courses that are being floated.

The last date for registration will not be extended under any circumstances and the preferences cannot be altered once they preference given.
