Ref : Note approval dated 29.08.2024

With reference to the note approval dated 29.08.2024, this is to inform all the students, it has come to our notice that despite several previous circulars and warnings, students continue to carry and use mobile phones within the academic premises, particularly in classrooms. This behavior is disruptive to the learning environment and undermines the authority of the faculty, who have expressed difficulty in managing this issue.

The usage of mobile phones within the academic premises is strictly prohibited for all students. This includes classrooms, laboratories, libraries, and any other area designated for academic activities.

Any student found violating this rule will be subjected to serious disciplinary action, which may include but is not limited to confiscation of the device, suspension from classes, or other penalties as deemed appropriate by the administration.
