

Dear All,

National council of rural institutes are offering summer internships in the field of higher education on rural concerns to students and NCRI Doctoral fellowships for pursuing PhD in Rural studies.

1. National Council of Rural Institutes (NCRI) invites applications students pursuing graduation and post graduation course (any discipline) for summer internships in the field of higher education on rural concerns. Interns will be inducted for a maximum period of 8 weeks during May to august every year. The selected intern will be provided with a monthly remuneration of Rs. 10000/- and a certificate on successful completion of internship. All the staff are requested to kindly circulate this formation to your respective students and friends. For more information kindly visit <http://www.ncri.in/aps@ncri.in>

2. Applications are invited from eligible candidates for NCRI Doctoral fellowships for pursuing PhD in Rural studies including

1. Rural communication
2. Rural Management
3. Rural Social work
4. Rural sociology
5. Rural tourism
6. Rural Entrepreneurship
7. Rural Education

and any other areas involving substantial rural field engagement.

The selected fellows will be awarded fellowships @16000/- per month and contingency grant @ Rs. 15000/- per annum.

Application form and guidelines are available on <http://www.ncri.in/>

Kindly circulate the same thing to your students, faculty and friends.

With Thanks and Best Regards
Kannoju Nandini
