Dear Students,

We are pleased to inform you that **India Space Academy** is organizing a **Winter Training on Space Science and Technology 2025**, a skill training and internship program aimed at promoting space education, research, and employability in emerging technological domains. This program is open to students of B-Tech/M-Tech and faculty members.

About the Program:

This **month-long online Winter Training** is designed to provide exposure and hands-on learning in the following key areas:

- **Astronomy & Astrophysics**
- **Advanced Drone Technology**
- **Remote Sensing and GIS**

These domains are of national and global importance, with direct relevance to ISRO missions, international collaborations, and industry applications in sectors like agriculture, surveillance, disaster management, and urban planning.

Program Objectives:

- Equip students and faculty with research and technical skills
- Promote employment opportunities in space and geospatial technologies
- Foster academic-industry collaboration through project-based learning and AI-integrated geospatial analytics

Important Dates:

- **Registration Opens:** 01st October 2025

- **Registration Closes:** 10th November 2025 (till 11:55 PM)
