SCHEDULE OF TCS CODEVITA SEASON-9 CONTEST

It is hereby informed to all Eligible students of **TCS CODEVITA-9** that the Codevita season-9 contest date is scheduled on **8th August 2020 (Saturday) 3 PM to 9th August 2020 (Sunday) 3 PM.**

Best Practices and FAQ Document

- The students who are eligible to participate in CodeVita have received their login credentials already on email. Even if there was an issue in getting the email, they can go to the CodeVita Contest Page on Campus Commune, and can check their credentials.
- On the Contest date, they can login to www.tcscoddevita.com with the credentials.
- As mentioned previously, they will have 6 hours of time once they start the contest.
- The contest will end at 3 PM on 9th August. Hence, if any candidate logs in after 9 AM on 9th August, they will not get the full six hours of time.
- Students should use laptop / desktop to attempt the contest.
- **We advise they go through the below mentioned video, which will give them all the necessary details.**
 - Please click on <https://campuscommune.tcs.com/en-in/intro>
 - Scroll down the Campus Commune home page to the video section and check out the video titled "CodeVita Season 9 – A Must Watch Demo" in the playlist section.
 - The same video can be viewed on YouTube as well: <https://youtu.be/GrvHimjJ1Ag>
- Students should not copy code.
- If students are using code from an external source, that must be declared.
- If a student closes the browser window without logging out, the system will not allow them to login immediately. They will have to wait for 15 minutes. Hence, if the student needs to close the session, please advise them to log out and then close the browser window.
- **If the online editor is taking time to compile or is running slow, They are advised you to use the compilers on their local machine. They have to ensure that the same compiler versions are installed.**
- **Students who are facing any issues other than this, should write to campuscommune@tcs.com using the attached query template ONLY.**

About

Introduction

Sports is not just a game, it's Culture! It connects people from varied backgrounds and ethnicities regardless of physical and cultural boundaries. It is also a great way to compete beyond borders and a lot of fun. At TCS, we continue to believe in this philosophy that programming can be both fun and challenging.

For past 7 seasons, TCS has had great fun in promoting the Programming-As-A-Sport culture. Hope you too had great fun participating in previous seasons of CodeVita. Last season CodeVita created new milestones with over 216k students across 68 countries registering for the contest. Over 1800 CodeVitas were offered in India. The finals saw 25 top coders from 7 countries competing for the coveted title. Welcome to Season 8; TOGETHER let us make it BIGGER & BETTER. We assure, Season 8 is going to be Challenging & Exciting!

Purpose of the Contest

The rate of adoption of technology is having huge impact on people's lives. To be competitive and to

- Provide an opportunity to showcase offerings of TCS to the academic world
- Provides a platform to students to practice and enhance their programming skills.
- Provide exciting career opportunities for students in TCS.

Structure of the Contest

This season we are continuing with the Individual participation like the previous editions. There are multiple coding levels before the top finalist can progress into the Grand Finale. To participate in CodeVita, one needs to register on the TCS Campus commune Portal.

Programming languages: C, C++, C#, Java, PHP, Perl, Python, Ruby

There will be 3 main rounds to the contest.

Pre-Qualifier Round (Round 1) - Will be conducted as two zonal rounds, a participant will be tagged to one of the two zonal rounds. Details are provided in the round description section.

Qualifier Round (Round 2) - Will be conducted once the pre-qualifier rounds is completed globally. Top performers from all the zonal

Contest Registration Done!
You have registered successfully for CodeVita Season 8.

Action Item

Wait for it!

The Round will be opened on 28 June 2019 09:30 UTC.

Login Details

Once you get the link to the online application, you are required to use the following credentials to login to the application.
