G.O.Ms No.29 Dt.17.12.2014)

Basar (Village & Mandal), Nirmal District, Telangana State –
504107, India.

BEYOND THE INNOVATION

About RGUKT-Basar: RGUKT is a leading Technological University established in the year 2008 with a commitment to provide access to high quality engineering education to highly talented and meritorious rural youth of the state. Students of RGUKT, Basar, are gifted children from rural areas and the government of Telangana provides everything including education, food and other amenities free of cost to these students. The unique feature of this university is that it is located on a sprawling 272 acre campus and has modern buildings, laboratories and other administrative facilities.

About T-Hub: T-Hub (Technology Hub) is an innovation hub and ecosystem enabler. Based out of Hyderabad, India, T-Hub leads India's pioneering innovation ecosystem and is the world's largest innovation campus. Over the six years, T-Hub has pivoted around the 6Ms (Mentors, Market, Motivation, Manpower, Money, Methodologies) and 2Ps (Partnerships & Policy advisory) framework with a mission of driving results and collaboration for entrepreneurs' success. It has delivered 100+innovation programs so far, creating an impact for startups, corporations, and other innovation ecosystem stakeholders. Since inception, it has provided over 2000 national and international startups with access to better technology, talent, mentors, customers, corporates, investors, and government agencies.

About AIC T-hub: Atal Innovation Mission (AIM) has partnered with T-Hub Foundation to set up AIC T-Hub Foundation. The objective is to create a strong ecosystem, which empowers Deep Tech startups (AR & VR, AI, IoT & Blockchain) creating new-age solutions in Healthcare, Sustainability, Mobility and Semiconductors. This program enables startups with an MVP to accelerate commercialization by providing access to global mentors, investors, industry experts, service providers, and fellow entrepreneurs. With the help of world-class experts & resources, startups get to sharpen their understanding of markets, refine their business & product commercialization plans, and become market-ready.

Theme: Entrepreneurship and innovation

About the event: This program primarily focuses on innovation and entrepreneurship. Where we help the target audience understand how entrepreneurship starts and what are the various elements revolving around this unique concept with a methodology while also engaging the audience in some activities which will help them understand the matter with a little hands-on experience.
