

MIT SCHOOL OF GOVERNMENT PUNE INDIA

First ever Leadership Institute in India & Asia for a Career in Politics

To,
Principal/Director
RGUKT- BASAR

29th December 2016

Dear Sir,

Sub: Opportunity for socially-active & politically sensitive final year students of your esteemed institution to join MIT School of Government, Pune for an attractive career opportunity in Politics!

Respected Sir/Madam,

Greetings to you from the MIT School of Government!

We take this opportunity in introducing you, the MIT School of Government (MIT-SOG), Pune. Established in 2005, it is India's first institute to prepare youth for political leadership through its one-year full time residential program titled **Master's Program in Government (MPG)** in academic alliance with Tata Institute of Social Sciences, Mumbai and Rajiv Gandhi National Institute of Youth Development; supported by UNESCO Chair for Human Rights, Democracy, Peace and Tolerance, World Peace Centre, Pune.

Today's political environment demands appropriate knowledge & skills and with the recent development in politics, there's a huge demand for graduates/post graduates who have knowledge about politics and can contribute in areas like - Political management, Election management, Constituency Development etc. in various capacities. In past 11 years, 350 of our alumni have completed the program. Many of them have contested elections for Gram Panchayat, State Assembly or Lok Sabha, while others are serving in different capacities as Political Analyst, Political Consultant, Campaign managers, Election managers, Policy Associates, Public Relations executive etc. Some are associated with office of Chief Ministers, Union Ministers & Ministers of State.

In this endeavor to provide the right candidature towards the enormous task of nation building through active role in politics and government, we request you to put our program information poster on the institute's notice board and keep a copy of the program brochure in library for students' reference. If feasible we would like to have an opportunity to address the final year students along with the academic staff at your campus through an interactive session on the emerging career opportunities and leadership roles in the field of Politics & Government. Our response tables are manned as below – Ms. Arati 7720061611, Ms. Manali 98508997039.

Thanking you and looking forward to your valuable support,

Regards,

Dr. S. S. Haridas
Associate Director
