

CIRCULAR TO ALL E1 TO E4 STUDENTS

Dear Students of E1 to E4,

You might be aware that our University has applied for NAAC accreditation in the first week of February 2020. Accreditation is rating of our University at national level. As a first initiative of this process, the NAAC sends random emails to some specific students of E1 to E4 in which the students will be asked to take a survey on "**Student's Satisfaction Survey (SSS)**".

Some of the students must have received emails to their IDs created with RGUKT domain such as e.g. B123456@rgukt.ac.in. Therefore, the students are requested to check their emails on a regular basis until the survey is successfully submitted. The students are also requested to complete the survey within two days of receiving the mail. This may be noted that - getting a good rating does also depend on your sincere participation.

The students may contact at the Academic Section, Administrative Building, if they need any help / clarifications.
