

INDIA'S BIGGEST RURAL TECHNICAL FESTIVAL

antahpragnya 2020

## FOX HUNT

- "FOX HUNT" is a technical event which goes on the lines of traditional English activity of tracking and chasing a fox by trained hounds.
- In Fox hunt you will be asked to do 'Radio Direction Finding' i.e., tracking the Radio transmitter(FOX) which is situated in an undisclosed location using the receivers which you will be taught on how to do in the special talk as mentioned below.

### **Basic structure of the event:**

#### **ROUND 1:**

Screening test in which top 10 teams will be selected for the further rounds.

Date: Dec 29

Venue: AB-I @ 5pm

Round 2 and Round 3 will be conducted along with the collaboration of NIAR team.

#### **Special talk:**

Date: Jan 4

Venue: AB-I Auditorium @ 9am-11am

Morning session: Introduction to Amateur radio with lecture and demo in our auditorium.

## **ROUND 2:**

Hunting a hidden transmitter which is situated at a fixed location.

5 teams will be promoted to the last round.

Date: Jan 4.

Venue: RGUKT-Basar campus 2pm-4pm

## **ROUND 3:**

Tracking and hunting a moving transmitter.

Date: Jan 5

Venue: RGUKT-Basar campus

**Note:** Team consisting of inter batches and branches is highly recommended.
