

IEEE PES INDIA SCHOLARSHIP AWARD

CALL FOR APPLICATION - 2022

ABOUT THE SCHOLARSHIP

The IEEE, and the Power & Energy Society (PES) of IEEE, India, instituted the annual IEEE PES India Scholarship Award (IPISA) to encourage students to pursue the Electrical engineering and technology profession. In order to attract talented and meritorious students, the IPISA scholarship will be given on merit-based selection criteria, with significant weightage to toppers of the pre-engineering qualifying examination.

ELIGIBILITY CRITERIA

- Any 2nd year appearing student as a full-time UG engineering student in the electrical stream, from an AICTE/UGC approved institution.
- With >60% marks (or equivalent grade) in higher secondary
- All students who hold a valid rank in IIT JEE (Mains)/ IIT JEE (Advanced)/ state-level engineering entrance examination
- First class/equivalent grade in 1st year engineering

SUBMISSION GUIDELINES

- Guidelines for submitting the application can be found at <https://r10.ieee.org/ic-pes/ipisa-2/>
- Application for IPISA – 2022 is only accepted in an online format
- The last date for submission is on or before **September 30, 2022**
- Submit your applications to picc.ieeepest@gmail.com

SCHOLARSHIP AMOUNT

₹ 75,000/ year

The scholarship amount is per year, per student, to be renewed annually for the 2nd, 3rd, and 4th year of degree course, subject to qualifying requirements.

The scholarship amount is split as follows:

- Rs 50,000/year towards college and hostel fees.
- To the maximum extent of Rs 25,000/year, towards expense incurred in attending seminar, conference, tutorial, workshop, and internship, to be paid against actuals on the production of suitable documents.
