EPAM PEP PROGRAM 2021-DEMO TEST & DETAILS

This is to inform you that assessment for getting selected into PEP program - 2021 will be held on 17th *Aug 2020 or* 18th *Aug 2020*. **More details will be communicated soon.**

For students to get **accustomed with the tool** we use for assessment, a *demo test* (It would just be a sample test and no separate pattern) is arranged before you take the final assessment test.

Step 1:

Details of Demo Test: *11th Aug – 12 Aug* (Test window will be open for 2 days and students can login using *link* which will be sent by end of today and get practiced with the tool for actual test scheduled on 17th or 18th Aug 2020).

*As this is a demo test, Score will not be considered.

Step 2:

Actual Test Details (17th Or 18th Aug 2020) :
Exam pattern would be in **3 sections** (*C, Java, Arithmetic & Aptitude)* which will all be MCQs (*Code Snippets + Concepts*).

Imp Note: **Students should mandatorily go through step 1 and step 2 and complete the assessment process.**

Negative marking for the wrong answer attempted.

Webcam is mandatory.

We have *window proctoring* enabled. (Students will be knocked out if moved 3 times away from the screen).
