

HOPE HOUSE

-Light For Life

Hope house is a trust formed to help the students who are in needy. Most of the students of RGUKT are from rural background, and struggle from economical support. This trust is to fulfill the requirements and to give support for genuine problems. Our aim is to help the students in best possible way with more transparency.

Hope House started very recently in such way that it remains a beacon of light for the needy, spends every penny received for genuine causes in a genuine and more accountable manner.

*** In what way can we help ourselves**
