

Betiyan Fellowship

A unique scholarship for Women in STEM

Academic Year 2022-23

The **Betiyan Fellowship** is a unique **scholarship program** by **Procter & Gamble (P&G)** in collaboration with the **Centre for Civil Society (CCS)**. The scholarship program was launched in **2021** to encourage girl students to pursue careers in STEM fields.

The program provides **financial support**, and **mentorship** to girls pursuing STEM education, with an aim to promote their participation and growth in STEM fields

BENEFITS OF THE FELLOWSHIP

- Scholarship to cover full fees paid for the current academic year
- Mentorship opportunities with accomplished women in STEM fields
- Career counselling

ELIGIBILITY

1. Girl students pursuing engineering-related courses (ITIs and Renowned Engineering Colleges)
2. Nomination by the institution
3. Academic performance and attendance in the current course. In case of first year students, latest academic qualification, e.g. 10th, 12th and Graduation, will be taken into consideration
4. Priority to girl students from financially weaker sections.
5. This is a Need+Merit scholarship hence academic performance and financial need will be both considered in awarding the scholarship.
