While noticing many student's running Ram was astonished and asked one of his friend shyam (who was also running)

Ram:- Dear shyam why all of you are running.

Shyam:- Don't you know, CSE events registration have been opened.

Ram:- Really, which events and when ?

Shyam:- The events have been scheduled as **404 not found(password hunt)** – 6th Feb, **blind typing**-8th Feb and **Rural Enternprenienrship**. You can register to all three events parallely.

Ram:- *(after thinking for 5mins)* But Shyam you all are lucky that you can attend the CSE events. I am participating in other events on that days from 5PM to 7PM so I can't join you.

Shyam:- Heee Ram cheerup if you have any event from 5PM-7PM then join us from 8PM-10PM the events timing is not 5PM-7PM but **8PM-10PM** because CSE invites every one to participate.

Ram:- Really, where we must then register.

Shyam:- 104 AB-2(anytime after classes).

Ram also began running while saying that
run run run ,run to CSE dept.

***All of RGUKT students are heartly welcomed to our
