**Subject: Academic Section – AY25-26\_PUC-II\_Reminder regarding Attendance Requirement.**

\*\*\*\*\*

This is a reminder to all PUC-II students that, during the monitoring of classes, it has been observed that many students are not attending classes regularly.

The Academic Section once again strictly informs that students who fail to secure a minimum of 75% attendance will not be permitted to appear for the Annual Examinations. Such students will be required to seek readmission into the same class in the subsequent academic year and fulfill the attendance requirements to become eligible for the examination.

All students are therefore advised to attend classes regularly and ensure that they maintain the minimum required attendance of 75% without fail.
