

INDIA'S BIGGEST RURAL TECHNICAL FESTIVAL

antahpragnya 2020

## War of Wits(WoW)

**-get Nintendo or get Lost**

WoW is an on spot strategy event, Wow splits into 4 mini games.

**Games 1-3 :**

Each game has multiple rounds in which you have to make your way through the best strategies.

**Game-4 : The Bidding round(finale)**

You will have to read your opponent's mind and strategise for your maximum benefit.

After every round,the contesting group's scores will be displayed which aids you to read the opponents mind and manipulate your own statergies.

**Registration details:**

\*Team should contain only 4 members.

\*Only the first 101 teams to register in time are taken into consideration.
