**CIRCULAR**

Student Academics & services such as mess, Hostels and other amenities have been the priority for the University and are being supervised even by the Senior Administration of the University every day. However, certain students with malafide intentions are trying to disturb the harmonious environment in the University. This is evident in a recent series of incidents where attempts were made to defame the reputation of the University by spreading false/fabricated information.

Therefore, it is informed to all the students that such acts will be dealt seriously and severe penalty would be imposed on such students as per the rules and regulations of the university.

**Please note:**

**Hostel inmates/students who are found guilty of misconduct or guilty of infringement of any of the University rules (Academic/Hostel/Training & Placement) prescribed shall be liable to fine, suspension, rustication or dismissal either from the hostels and/or from the institute or both by the appropriate authority.**
