

Dear Students & Faculty,

We are pleased to announce an important update regarding the Summer Internship Program. In response to requests from students and institutions, we have extended the application deadline to May 27th, 2025, till 5:00 PM. This extension allows additional time for all interested candidates to prepare and submit their applications.

About Summer Internship:

Undergraduate and postgraduate students and research scholars in recognized universities or institutions in India and abroad can apply for the India Space Lab Summer Internship. Participants will work closely with various verticals, divisions, and cells of Space and receive training in Drone Technology (Air Taxi), CanSat and CubeSat (Student Satellite), Rocketry, Remote Sensing (GIS), Space Entrepreneurship, Astronomy and in addition space webinar. Applicants must apply online by completing the registration form.

Public Notice:

Registration Link: https://isl.internship.indiaspaceweek.org/internship_form/

- VIII) 2 days of Disaster Management sessions : July 20th to July 21st

*****) Space Webinar:** Space Education & Employment, 27th July

Important: Individuals who join through lateral entry will not be classified as part of the Internship. Instead, they will receive a certificate upon completing the training program.

Lateral Entry : India Space Lab is pleased to announce an opportunity for officials, faculty, research scholars, and students to engage in lateral entry into their preferred technology areas. This initiative does not involve an examination process. Participants will receive a training certificate upon completion rather than an internship certificate.

Lateral Entry Registration: https://isl.internship.indiaspaceweek.org/lateral_entry/

We look forward to your participation and engagement in the India Space Lab (भारत अंतरिक्ष प्रयोगशाला) - Summer Internship Program with Comprehensive Training (Space Education and Employment for All Students, @Viksit Bharat 2047).

Kindly disseminate this information to all students, faculty members, and research scholars.
