The Training and Placement Office is pleased to announce that the **Campus Recruitment Training (CRT)** program for **current E4 students** is scheduled from **6-7-2026 to 18-7-2026 at Old PUC Block (Prefab Block)**. This is a **mandatory** program for all students who intend to participate in upcoming on-campus recruitment drives.

Program purpose and benefits The CRT is designed to strengthen essential employability skills and improve placement readiness. The program includes focused sessions on:

- **Communication skills;**
- **Quantitative aptitude;**
- **Logical reasoning;**
- **Resume building;**
- **Interview preparation;**
- **Professional interactions with recruiters;**
- **Recruitment and on-boarding procedures followed by MNCs;**
- **Common hiring mistakes and how to avoid them;**
- **Challenges before and after on-boarding;**
- **Evaluating job offers and career planning.**

These intensive brush-up sessions provide practical insights and industry exposure that are critical for successful campus placements.

Attendance and expectations

- **Mandatory attendance** for all registered, job-aspiring students.
- Active participation is required.
- Bring **student ID, notebook, and pen** to every session.
- Arrive **10 minutes before** the scheduled start time.
- Inform the TNP Office in advance if you cannot attend a session.

Schedule and class allocation The detailed **program schedule and class allocation** for each registered student appear on the following pages. **Check your name and assigned class carefully** and report to the assigned venue at the scheduled time.

Why attendance matters Insufficient awareness of recruitment processes and industry expectations can lead to missed opportunities for students and may negatively affect the institution's standing with recruiters. To protect both your prospects and the college's reputation, the TNP Office strongly advises all job-aspiring students to attend the CRT sessions.
