Instructions to Students

1. Eligible and interested students must register on or before **19.08.2026** using the link below.

Registration Link: [Register here for Jarus Technologies registration](#)

2. As required by the company, every registered student must submit a signed **Undertaking Letter** confirming their willingness to join Jarus Technologies on completion of the internship and to serve the company for a minimum period of two years. The undertaking format will be made available to the shortlisted of Round-1 (Test) along with the registration process.
3. Only students who submit the signed undertaking and satisfy the eligibility criteria (CSE branch, minimum 8.0 CGPA) will be permitted to appear for the selection process.
4. Selected candidates will be required to enroll under the **National Apprenticeship Training Scheme (NATS)** as part of the on boarding process.
5. Registered students must be available on **both 10th and 11th** September 2026 for all rounds of the selection process.

All eligible students are advised to go through the above details carefully before registering.
