CIRCULAR

In view of the recent incidents that have come to the notice of the university administration, the students are informed that from henceforth any **student leaving the campus on Medical grounds** should produce a Medical fitness certificate issued by a registered Government Medical Doctor (Surgeon) when returning to the campus. The student will be allowed to proceed to hostel & classes only upon verification of the fitness certificate by the Doctor of University Health centre. Also, note that:

- (a) The student must carry all relevant medical records confirming the treatment undergone and recovery from the illness.
 - (b) The student must be accompanied by the parent when returning back to campus
 - (c) Depending on the case, the parent may be asked to stay with the student in the campus for few days (One week) to ensure that the student is doing well (physically/emotionally) and has recovered completely as claimed by the student /parent.
- Students suffering from any medical condition (illness) that they have/suffering from are advised to bring this to the knowledge of the following offices viz., University Medical Centre, Chief Warden Office, Student welfare office. This will help us to provide better care and appropriate response in case of any emergency.
- Students and Parents are requested to extend their co-operation in this matter.
