

**CIRCULAR**

**Subject:** Regulation and Restriction on the Use of Mobile Phones in Classrooms, Examination Halls, Libraries, and Dining Halls – Reg.

\*\*\*\*\*

In order to foster a culture of academic excellence, discipline, attentiveness, and meaningful student engagement, it has been observed that excessive use of mobile phones in academic and common areas leads to distraction, reduced concentration, misuse of digital platforms, and disturbances to the learning environment.

Accordingly, with immediate effect, all students are hereby informed that the use of mobile phones is strictly prohibited in the following areas.

- Academic buildings, including classrooms, laboratories and seminar halls.
- Examination halls during examinations and related activities.
- Dining halls.
- Library premises.

**Objectives of the Circular:** In view of enhancing student's concentration and academic performance, promoting active classroom participation and faculty-student interaction, maintaining the sanctity of examinations and libraries, encouraging healthy interpersonal communication and community living, strengthening discipline and responsible digital behaviour on campus, all students are hereby directed to strictly adhere to the above instructions.

All the heads and concern section officers, faculty members, wardens, library staff, and administrative officers shall ensure effective implementation of this circular.
