RGUKT/Academic section/E1 Branch allocation/2026-27

Date: 06-05-2026

## NOTE

- Engineering branches will be allocated only to students who have successfully completed the two-year PUC program, as well as to students who were not promoted to E1 during the previous academic year (AY 2025–26), provided they have secured a **minimum CGPA of 6.0 or above** and have **no backlogs**.
- Registration for branch allocation **does not guarantee allotment**. Students must satisfy the eligibility criteria, i.e., a **minimum CGPA of 6.0 or above** in their PUC program.
- Students who have registered for E1 branch allocation or preference modification **manually** by submitting a request letter along with paying the **late fee of ₹500/-** are informed that the **late fee is non-refundable under any circumstances**.
- **Mutual transfers** between students after branch allocation will not be permitted under any circumstances.
- If a student fails to submit preferences or fails to register for E1 branch allocation, they will not be considered for branch allocation. **E1 branch allocation registration is compulsory**.
- Students who are not allotted a branch due to having a CGPA below 6.0 may opt for a grade improvement examination.
- Students claiming **special category reservations** (i.e., NCC, Sports, PH, CAP) must produce the **relevant certificates**. If a student fails to submit the required certificate, their reservation under that category **will not be considered**.
- Students eligible under the **EWS category** must submit the latest original EWS certificate. Without the certificate, they will not be considered under the EWS category.
- The branch preferences once submitted will be treated as final, and **no changes will be permitted after the deadline**.
- Branch allotment will be carried out strictly based on CGPA, reservation norms, and availability of seats.
- Students are advised to regularly check the official **University-website/hub/Official Whatsapp** channel for updates, notifications, and allotment results.
- **No requests for change of branch** will be entertained after the final allotment is published.
- Students must complete the **registration within the stipulated deadline**. Requests after the deadline (except officially approved late cases) **will not be considered**.
