Instructions to the Students:
All the students should attend the review along with PPTs and project report book on respective date without fail. Students are permitted for the final review only on satisfactory completion of the below requirements:
1. Successful submission and verification of project report by supervisor(please visit the guidelines circulated).
2. Satisfactory submission of presentation slides/PPT to the concerned Guide/Panel before two days to final review.

<u>Note:</u>
1) The Duration of the presentation should be within **12minutes** (10minutes for PPT presentation and 2 Minutes for discussion).
2) The Batches presentation beyond the time limit will be treated as not well prepared/coordinated and correspondingly the evaluation will be done.(**Kindly prepare your presentation within the allotted time**)
3) The students are expected to focus more on work done like **Analysis** and **Results** in PPTs.
4) The Final External review will be assessed for **40** Marks. The evaluation will be focused on individual student contribution.
5) Guide Marks is completely based on student's involvement and his/her interaction about Project Details with guide.
