## **ETIQUETTES AND MANNERS TO BE FOLLOWED IN MESS**

- 1) Washing plates, glasses and hands at the drinking water should be avoided.
- 2) Do not dispose your waste food on table, waste has to be kept aside in the plate itself so that next person can eat freely.
- 3) Systematic strict line or queue has to be maintained while collecting food(egg, bananas, etc).
- 4) Limited and enough food has to be taken a first serve. Do not waste food by taking excess food in first serve, go for second time if required.
- 5) Dirty or messy chair is to be kept aside, or to be informed to mess people, and ask them to clean the chair.
- 6) Chairs has to be kept at initial position after having your food.
- 7) Waste in your plate has to be disposed properly in the bin provided(don't hesitate to use your hand for disposing waste).

8) Discipline has to be maintained in the mess (collection of plates has to be proper. Do not disturb the order of the plates).

9) Do not waste water excessively while washing the plates.

**Note:Before You complaining on something please check
