

TCS HackQuest Season 11 – Registration Open for 2027 Graduating Students

The Training & Placement Office, RGUKT-Basar, informs all eligible students about **TCS HackQuest Season 11**, a flagship cybersecurity competition by Tata Consultancy Services (TCS).

Benefits for Students

- Opportunity to interview for **TCS Ninja, Digital, and Prime profiles**.
- Cash prizes worth up to **₹5 Lakhs**.
- Special awards for top women ethical hackers.
- Opportunity to work with the **TCS Cybersecurity Centre of Excellence (CoE)**.
- Exclusive experience at the TCS Attack Surface Management Practice facility for the Top 25 participants.

Eligibility

Students graduating in **2027** from B.Tech./B.E., M.Tech./M.E., BCA/MCA, B.Sc./B.S., and M.Sc./M.S. programs are eligible.

Participation is on an individual basis only.

MANDATORY REGISTRATION STEPS

Students must complete BOTH registrations to participate.

Step 1: Generate a valid TCS Reference ID (CT/DT Number) through the TCS NextStep Portal:

<https://nextstep.tcsapps.com/indiacampus/#/registration>

Step 2: Register separately for TCS HackQuest Season 11:

<https://hackquest.tcsapps.com/>

REGISTRATION DEADLINE: 16 NOVEMBER 2026

All eligible and interested students must complete both registration steps on or before 16 November 2026. Do not consider registration on only one portal as complete.

Students are advised to register well before the deadline and carefully follow the instructions provided on the official website.
