CIRCULAR

Subject: Academic Section – AY23-24_PUC Circulation of Information regarding attendance.

This is to inform all the PUC-I and PUC-II students, that when the classes were monitored, it was found that most of the students are not attending classes regularly.

It is strict instruction from Academic Section that student with less than 75% of attendance will not be allowed to write Annual Examinations. They have to seek readmission into the same class during the subsequent year in order to appear for the examination after fulfilling the attendance requirements. So all the students are supposed to attend classes regularly and maintain attendance of at least 75%.
