

TECHgium® 10th Edition – Registration Open

Dear Students,

L&T Technology Services (LTS) is inviting students to participate in **TECHgium® – 10th Edition**, a technology innovation competition designed to provide students an opportunity to work on real-world industry problem statements and showcase their technical and innovative capabilities.

Eligibility

This year, the eligibility criteria have been expanded. **Students from 2nd year and above**, including **Pre-Final and Final Year UG/PG Engineering students**, are eligible to participate.

Interested eligible students are encouraged to register and participate.

Registration Process

Student Registration: Students can register individually using the **UIC** provided by the institute.

❑ **Important:** Interested students should **contact the Training & Placement Office** to obtain the **UIC** required for registration.

❑ **Registration Portal:** <https://lts.techgium.com>

Live Q&A Session

The TECHgium® team is conducting a **Live Q&A Session** to clarify queries regarding eligibility, registration, problem statements, submission process, timelines and participation.

❑ **Date:** 24 September 2026

❑ **Time:** 3:00 PM – 3:45 PM IST

❑ **Meeting Link:**
