SCHOLARSHIP NOTICE
(For BC & EBC Students – Academic Year 2025–26)

It is hereby informed to all BC and EBC students who are eligible for Post-Matric Scholarship for the Academic Year 2025–26 that they are required to complete Aadhaar seeding with their bank account immediately for processing of their scholarship application.
As per the instructions received from the Higher Officials of the Welfare Department, Aadhaar seeding is mandatory. Students who fail to complete the Aadhaar–Bank account seeding may face delay or rejection of their scholarship application.

All concerned students are therefore instructed to complete the Aadhaar seeding process at the earliest.

For your convenience, a detailed flow chart given below explains the Aadhaar seeding process.

Students are advised to treat this matter as urgent and ensure compliance without fail.
