RAJIV GANDHI UNIVERSITY OF KNOWLEDGE TECHNOLOGIES

Basar (Village & Mandal), Nirmal (District), Telangana State - 504107

NOTICE

Subject: Call for Registration – Smart India Hackathon (SIH) 2025

Applications are invited from Engineering students (E1–E4) to register for the upcoming Smart India Hackathon (SIH) 2025 Internal Hackathon. Teams shortlisted through the internal hackathon will represent RGUKT Basar in the national-level SIH 2025.

Registration Details

- Deadline: 12th September 2025
- Registration Link: https://forms.gle/5hddVH5ihEcadBpr9

Team Formation Guidelines

- Each team must consist of 6 members, including at least one female member.
- Members must be from RGUKT Basar only (E1–E4).
- Teams may optionally include a faculty mentor.
- One team can select up to 2 problem statements from SIH 2025 Problem Statements.
- No changes to team members will be permitted after registration.
- A student can be part of only one team.

Important Dates

- Registration Deadline: 11th September 2025
- Internal Hackathon: 19th September 2025

Best regards,
Sujoy Sarkar

Additional Information

About Smart India Hackathon (SIH)

The Smart India Hackathon (SIH) is a nationwide initiative launched by the Government of India to provide students with a platform to solve pressing real-life challenges faced by citizens, industry, and government.

- Objective: Foster a culture of innovation, problem-solving, and product development.
- Impact: Since its inception, SIH has become the world's biggest open innovation model, engaging lakhs of students across the country.
- Participation: Students collaborate with industry experts, mentors, and government agencies to work on real-world problem statements.
- Innovation Categories:

    - **Software Edition:** Digital product development (focus on programming & software solutions).
    - **Hardware Edition:** Prototype/product development (multidisciplinary teams encouraged).
    - **Students' Innovation:** Open theme for creative and out-of-the-box ideas.

Submission Requirements

- Idea Presentation: Must follow the official SIH format:
  Download PPT Template
- Problem Statement Selection: Each team can choose up to 2 PS numbers. Once a PS reaches 500 submissions nationally, it will be closed.
- Mentorship: Teams can nominate up to 2 mentors (faculty/domain experts).

Evaluation (Internal Hackathon)

- Criteria: Originality, innovation, feasibility, technical knowledge, and presentation quality.
- Judges may also assign additional features or problem scenarios during evaluation.

Benefits of Participation

- Prize Money: ₹1,50,000/- per winning team at the national level.
- National Recognition: Showcase talent on India's largest innovation platform.
- Collaboration: Networking with industry leaders and government stakeholders.
- Skill Development: Hands-on problem-solving, teamwork, and innovation experience.
- Certification: Participation certificates will be provided at the internal level.
- Nomination: Top teams from RGUKT will represent the institute at SIH 2025.
