

Registration for Praxsol Engineering Recruitment Drive

Dear Students,

We are delighted to announce the commencement of Praxsol Engineering Campus Recruitment Drive to recruit **Mechanical Engineering** Graduates of 2025.

The students who are hired will be trained under the seniors' guidance and would achieve a path of good career growth in their core skill set.

Salary would be a fixed package as per Industrial and company standards.

The students who were selected and interested to join need to submit their original certificates at the time of joining and terms mentioned in attached PDF to work with Praxsol.

If the candidates fail to serve the fixed duration of two years, the return on Investment would comply.

However, except on medical grounds based on Company doctor suggestion, decision of relieving candidate will be taken.

Based on no. of candidates interested to apply for Campus drive, would request candidates to have walk in (if turn out ratio is less than 50 members from each role). Before sending the list of candidates (in attached excel w.r.t. position they have applied for in our regular format) to us by 12th Jan 2025 (Mandatory).

Eligibility Criteria:

1. Skill on AutoCAD.
(Round No 1 & 2 - Tool Test on AutoCAD for Mechanical. Based on test results students will be shortlisted for further rounds of Technical and HR rounds).
2. Mandatory - Good Attitude and Communication Skills (Hindi would be added advantage).
3. B. Tech - 2025 passing out.
(Backlog students are not encouraged & 65-70% aggregate need to maintain in academics)
4. At the time of joining candidates (2025 passed out) should be mandatory to submit Originals of SSC, Inter/ Dip, B. Tech (Mark sheets till 3rd year) and by End of September 2025 they should be able to provide their original provisional Certificate along with marks lists.
5. Candidates should be flexible to work in PAN India.

*****Note: Mechanical** - 20-25 Vacancies for GET (From entire AP).

Common role: **(Male students only Eligible)**

Business Development - GET - 1 Vacancy

(Good -Hindi and English is mandatory and preferably from Mechanical)

** One person is eligible to participate only for One position either Technical / Common role.**

For above Common role the selection criteria would be Aptitude / Group discussion followed by HR and Technical Rounds.

HR & Technical rounds also will be conducted at our office in presence of (Dept Lead Engineers and Managing Director) and the candidates who cracked Interview immediately need to join from End of January 2025.
