

M/s Whitecarrot – Campus Recruitment Drive for 2027 Graduating Students

The Training & Placement Office is pleased to inform the eligible **2027 graduating students** that **M/s Whitecarrot** is inviting applications for the position of **Software Developer**.

Company: M/s Whitecarrot

Role: Software Developer

Eligible Branch: CSE

Work Location: Hyderabad

Work Mode: Hybrid

CTC: ₹17.00 LPA

Training/Internship Period: 6 Months

Stipend: ₹ 15,000 to ₹45,000

Employment: Opportunity for transition to full-time employment based on performance

Eligibility Criteria

Students interested in applying must satisfy the following criteria:

1. **CSE students of the 2027 graduating batch only.**
2. Minimum **3 months of prior internship experience** in a product-based company or startup.
3. Strong interest in **software/product engineering and startup environments.**
4. Candidates should be willing to make a **continuous commitment** and should not be seeking a short-term opportunity.
5. Candidates with practical experience through internships, projects, hackathons, freelance work or products developed and deployed may be preferred.

Role & Technical Expectations

The Software Developer role involves working on **end-to-end product development**, including frontend and backend development, AI/agentic workflows, database development, testing, debugging and deployment.

Candidates are expected to have exposure or strong interest in technologies such as:

- JavaScript / TypeScript
- React / Next.js
- Node.js / Python / Java
- PostgreSQL
- AI/Agentic frameworks such as LangGraph, CrewAI or AutoGen
- Cloud platforms and modern development tools

Students are advised to carefully review the [detailed Job Description \(JD\)](#) before registering.

Selection Process

The selection process is expected to include:

1. Written Test
2. Technical Interview
3. Personal Interview

Registration

Eligible and interested students are required to register through the **Training & Placement registration link** provided below:

Registration Link: [Click here register](#)

Last Date & Time for Registration: 26.08.2026, 1:00 PM

Important Instructions

- Students must ensure that they satisfy **all eligibility criteria** before registering.
- Only students meeting the specified requirements should register.
- Candidates should provide **accurate academic, internship and contact details** during registration.
- Students should keep an updated resume highlighting their **internships, projects, technical skills and practical development experience** ready.
- Registration does not guarantee participation in the final selection process. Shortlisting will be carried out based on the requirements of the company.
- Shortlisted candidates must be available for all stages of the recruitment process as per the schedule communicated by the company/T&P Office.
- The detailed **JNF and JD** may be referred to for complete information regarding the role and recruitment process.

All eligible and interested students are advised to make use of this opportunity and complete their registration before the deadline.
